THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **Monday, 23rd September 2024 at 09:00 A.M. (IST) and ends on Wednesday, 25th September 2024 at 05:00 P.M (IST)**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of on **Thursday, 19th Day of September 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020**, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

The following statements sets out all material facts relating to the Special Business mentioned in the accompanying Notice:

3. INCREASE IN THE AUTHORISED SHARE CAPITAL OF THE COMPANY FROM RS. 5 CRORES TO RS. 10 CRORES AND CONSEQUENT ALTERATION OF CAPITAL CLAUSE OF MEMORANDUM OF ASSOCIATION OF THE COMPANY:

The present Authorised Share Capital of the Company is Rs.5,00,00,000/- (Rupees Five Crores only) divided into 50,00,000 (Fifty Lakhs) Equity Shares of Rs.10/- each. In order to facilitate the issue of 16,00,000 (Sixteen Lakh) Equity Shares on preferential basis to non-promoters and for meeting future requirements, if any, it is proposed to increase the Authorised Share Capital of the Company to Rs.10,00,00,000/- (Rupees Ten Crores only) divided into 1,00,00,000 (One Crore) Equity Shares of Rs.10/- (Rupees Ten) each ranking pari passu in all respect with the existing Equity Shares of the Company as per the Memorandum and Articles of Association of the Company .

The increase in the Authorised Share Capital as aforesaid would entail consequential alteration of the existing Clause V of the Memorandum of Association of the Company.

It is also proposed to authorise the Board of Directors of the Company including any Committee thereof to complete all the formalities in connection with the issue of 16,00,000 (Sixteen Lakh) Equity Shares on preferential basis to non-promoters.

The increase in the Authorised Share Capital and consequential alteration to Clause V of the Memorandum of Association of the Company require members' approval in general meeting by way of ordinary resolution in terms of Sections 13 and 61 of the Companies Act, 2013, Articles of Association of the Company and any other applicable statutory and regulatory requirements.

The new set of Memorandum of Association is available for inspection at the Registered Office of the Company on any working day during business hours.

The Board of Directors recommends the passing of the resolution contained in Item No. 3 of the Notice as an Ordinary Resolution.

None of the Directors or any Key Managerial Personnel or any relative of any of the Directors of the Company or the relatives of any Key Managerial Personnel is, in anyway, concerned or interested in the above resolution.

4. ISSUE OF 16,00,000 EQUITY SHARES ON PREFERENTIAL BASIS TO CERTAIN IDENTIFIED NON-PROMOTER PERSONS:

In terms of Section 62(1)(c) of the Companies Act, 2013 and the Rules made there under ("the Act"), a Company can undertake Preferential Allotment/Private Placement only after obtaining prior approval of the members by way of Special Resolution in terms of Section 62(1)(c) of the Companies Act, 2013 read with provisions of Chapter V – "**Preferential Issue**" of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (the "SEBI ICDR Regulations"), as amended, and on the terms and conditions and formalities as stipulated in the Act and the SEBI ICDR Regulations. Accordingly, the Company proposes to issue and allot **16,00,000 (Sixteen Lakhs) Equity Shares, having face value of Rs.10/- (Rupees Ten Only) each at an issue price of Rs.20/- (Rupees Twenty Only) (including premium of Rs.10/- per share) aggregating to ₹ 3,20,00,000/- (Rupees Three Crores Twenty Lakhs Only) ("Consideration")** as determined in accordance with the provisions of Chapter V of SEBI ICDR Regulations, to certain identified non-promoters persons for cash on a preferential basis.

The following details of the proposed preferential issue of the equity shares are disclosed in accordance with the provisions of the Act and the SEBI ICDR Regulations, as amended from time to time:

(i) The object / purpose of the preferential issue:

The proceeds of the Preferential Issue will be utilized for business activities, financing the future growth opportunities and general corporate purposes.

The Board of Directors believes that the proposed Preferential Issue is in the best interest of the Company and its Members and, therefore, recommends the Special Resolution at Item No. 4 of the accompanying Notice for approval by the Members of the Company.

None of the Directors or any Key Managerial Personnel or any relative of any of the Directors of the Company or the relatives of any Key Managerial Personnel is, in anyway, concerned or interested in the above resolution.

5. ALTERATION OF THE OBJECT CLAUSE OF THE MEMORANDUM OF ASSOCIATION OF THE COMPANY:

In order to expand the Company's present scope of operations and to avail the opportunity at local, national and global level the Company is proposed to engage in the business activities of manufacturing and providing services for defence related products to any person or any body corporate, to invest and acquire securities of any Company or any other body corporate and to acquire or take over any Company or any body corporate.

To commence the proposed new business activities, the Objects Clause [Clause III (A)] of the Memorandum of Association of the Company needs to be altered.

It is proposed to alter the Main Objects under the Objects Clause of the Memorandum of Association of the Company to enable the Company to expand and diversify its present scope of operations by inserting sub-clause No. 26, 27, and 28 after existing sub-clause no. 25 as stated in the Special Resolution annexed to the Notice. The above

alteration would be subject to the approval of the Ministry of Corporate Affairs and/or any other Statutory or Regulatory Authority, as may be necessary.

A copy of the Memorandum of Association of the Company together with the proposed alterations is available for inspection by the Members of the Company at its Registered Office during normal business hours on all working days (Except Saturday and Sunday).

The Board of Directors recommends the passing of the resolution contained in Item No. 5 of the Notice as a Special Resolution.

None of the Directors or any Key Managerial Personnel or any relative of any of the Directors of the Company or the relatives of any Key Managerial Personnel is, in anyway, concerned or interested in the above resolution.

6. TO APPROVE FORMATION OF WHOLLY OWNED SUBSIDIARY (WOS) COMPANY AND TO MAKE INVESTMENTS IN SECURITIES OF WOS COMPANY OR ANY OTHER BODY CORPORATE AND TO GIVE LOANS, INTER CORPORATE DEPOSITS, GIVE GUARANTEES IN CONNECTION WITH LOANS MADE BY WOS COMPANY OR ANY OTHER BODY CORPORATE IN EXCESS OF THE LIMITS PRESCRIBED IN SECTION 186 OF THE COMPANIES ACT, 2013.

The Company in the course of its business is proposing to form/incorporate a Wholly Owned Subsidiary (WOS) Company and to make investments in that WOS Company and other body corporates which may or may not be the Subsidiaries of the Company, in compliance with the applicable provisions of the Companies Act, 2013 (the Act).

Such WOS Company will require support from the Company from time to time in the form of infusion of funds into their business for their expansion activities as well as for operations. With a view to meet the funding requirements of WOS Company proposed to be incorporated, the Company proposes to provide assistance in the form investment into the said subsidiary as and when required. The increasing business operations and future growth plans of the Company may necessitate making further investments into the subsidiaries on behalf of or for the benefit of the subsidiaries in favour of banks, financial institutions in India or outside from time to time.

Further, the Members are hereby informed that the Company is also considering to invest in Equity shares & other marketable securities from recognized stock exchanges in India and abroad & subscribing to preferential issues, rights issues, and warrants of other companies in the future. These actions are part of the Company's strategic plans to diversify and strengthen its investment portfolio and financial position.

To facilitate these future transactions and ensure that the Company is adequately prepared to seize opportunities as they arise, it is proposed to enhance the Company's

lending powers and its powers to make investments. The proposed increase in investment powers is aimed at accommodating potential investments in other companies, including preferential issues, rights issues, and warrants, as mentioned above. This will ensure that the Company has the requisite authority to execute such transactions efficiently.

Rationale for the Proposal

The proposed increase in investment powers will enable the Company to:

- Participate in strategic investments and funding opportunities that may arise.
- Capitalize on market conditions to acquire or invest in other entities that align with the Company's long-term growth objectives.
- Ensure financial flexibility to support its business expansion and diversification plans.

The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly,

(a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more.

Further, the said Section provides that where the giving of any loan or guarantee or providing any security or the acquisition of securities of any body corporate as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of Members by means of a Special Resolution is required.

It is, therefore, necessary to authorise the Board to form and acquire by way of subscription, purchase or otherwise the securities of the WOS Company proposed to be incorporated in India or outside up to the limits as provided in the proposed Special Resolution.

Hence, prior approval of the members of the Company is sought by way of Special Resolution for exercising these powers by the Board.

The Board of Directors recommends the passing of the Resolution contained in Item no. 6 of the Notice as a Special Resolution.

None of the other Directors or Key Managerial Personnel or their relatives is, in anyway, concerned or interested in the said resolution.

7. TO APPROVE BORROWINGS IN EXCESS OF THE PAID UP SHARE CAPITAL AND FREE RESERVES BY THE BOARD OF DIRECTORS OF THE COMPANY UNDER SECTION 180(1) (C) OF THE COMPANIES ACT, 2013.

As per the provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of a Company shall not borrow money, where the money to be borrowed, together with the money already borrowed by the company will exceed aggregate of its paid-up share capital, free reserves and securities premium, apart from temporary loans obtained from the company's bankers in the ordinary course of business without the consent of the Members of the company accorded at the General Meeting by means of a special resolution.

It is proposed to increase the borrowing limit of the Company over and above aggregate of its paid-up share capital, free reserves and securities premium but up to Rs.25,00,00,000 (Rupees Twenty Five Crores Only).

To facilitate all the future transactions and ensure that the Company is adequately prepared to seize opportunities as they arise, it is proposed to enhance the Company's borrowing powers.

Rationale for the Proposal

The proposed increase in borrowing powers will enable the Company to:

- Ensure financial flexibility to support its business expansion and diversification plans.
- To meet the working capital needs of the Company.

The Company shall endeavor to maintain a capital structure which would be consistent with its cash flows while optimizing the cost of capital. The Company shall ensure that the debt equity ratio is within prudent limits at all times.

Accordingly, the approval of the Members is being sought by way of special resolution authorizing the Board of Directors to borrow sums of monies within an overall limit of Rs.25,00,00,000 (Rupees Twenty Five Crores Only) outstanding at any given point of time. The Board of Directors recommends the passing of the Resolution contained in Item no. 7 of the Notice as a Special Resolution.

None of the other Directors or Key Managerial Personnel or their relatives is, in anyway, concerned or interested in the said resolution.

Report on the Standalone Ind AS Financial Statements

Opinion:

We have audited the accompanying Ind AS Financial Statements of **IPOWER SOLUTIONS INDIA LIMITED** ("the Company") which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS,

- a) in the case of Balance Sheet, of the state of affairs of the Company as at 31st March, 2024 ;
- b) in the case of Statement of Profit and Loss, of the Loss for the year then ended ;
- c) in the case of Cash Flow Statement, of the cash flows of the Company for the year ;
- d) in the case of Statement of Changes in Equity, of the changes in Equity, for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the '*Auditor's Responsibilities for the Audit of the Ind AS Financial Statements*' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. During the current year, the company had very minimal turnover relating to ITES services which are one off items and are not contractual. The Company has Capital Work-in-Progress towards development of a Portal and the amount spent upto 31-03-2024 was Rs. 4,30,62,958/-. The project is in progress for over last 3 years. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibility of Management for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the Balance Sheet (financial position), Profit or Loss (financial performance including Other Comprehensive Income), Cash Flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies ; making judgments and estimates that are reasonable and prudent ; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements:

Our responsibility is to express an opinion on these Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the Indian accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain

reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

Report on Other Legal and Regulatory Requirements:

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we enclose in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the Directors as on 31st March, 2024 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2024 from being appointed as a Director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our

opinion and to the best of our information and according to the explanations given to us:

- 1) The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 16 (Continent Liabilities) to the Ind AS Financial Statements.
- 2) Provision relating to Material Foreseeable Losses on Long-Term Contracts – Not Applicable. The company neither entered into any derivative contract during the year nor have any outstanding derivative contract at the year end.
- 3) The company does not have any funds that are required to be transferred, to the Investor Education and Protection Fund.
- 4) Based on our audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the various matters mentioned in ‘Disclosures of other Statutory Information’ annexed to the Notes to accounts, contain any material mis-statement.
- 5) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- 6) Provisio to Rule 3(1) of the Companies (Accounts) Rules, 2014 and Reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 - Based on our examination, which included test checks, the company had used an accounting software – Tally ERP 9 – for maintaining its books of account which does not have a feature of recording audit trail (edit log) facility for the financial year ended March 31, 2024.

Annexure – B to the Independent Auditor’s Report

The Annexure referred to in Paragraph 2 (f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of IPOWER SOLUTIONS INDIA LIMITED for the year ended 31st March, 2024 :

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of IPOWER SOLUTIONS INDIA LIMITED (“the Company”) as of March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls :

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility :

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures elected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting :

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company ;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company ; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting :

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion :

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on “the internal control over financial reporting” criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

IPOWER SOLUTIONS INDIA LIMITED
SIGNIFICANT ACCOUNTING POLICIES
(FY 2023-24)

Basis of preparation

Standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The standalone financial statements have been prepared on the historical cost basis, except for following assets and liabilities which have been measured at fair values.

- Derivative Financial Instruments
- Certain financial assets measured at fair value (refer accounting policy regarding financial instruments).

In addition, the carrying values of assets and liabilities designated as hedged items are recognized at fair value.

The standalone financial statements are presented in INR (₹) and all the values are rounded off to the nearest rupees except when otherwise indicated.

Business Combinations

The Company accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognized in the statement of profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognized at their fair values at the acquisition date.

Purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

Business combinations arising from transfers of interests in entities that are under the common control are accounted using pooling of interest method. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

Use of Estimates, Assumptions And Judgements

The preparation of the standalone financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the standalone financial statements and the reported amounts of revenues and expenses for the year reported. Actual

results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty as at the date of standalone financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of the following :

- **Revenue recognition**

The Company uses the percentage-of-completion method in accounting for its fixed-price contracts. Use of the percentage-of completion method requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

- **Impairment of non-financial assets**

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the forecast for future years. These do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. These estimates are most relevant to other intangibles with indefinite useful lives recognized by the Company.

- **Share-based payments**

Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them.

- **Taxes**

The Company's major tax jurisdictions is in India. Significant judgments are involved in determining the provision for income taxes and tax credits, including the amount expected to be paid or refunded.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that future taxable profit will be available against which the losses can be utilized.

Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

- **Defined Benefit Plans**

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future.

- **Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using internal valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

- **Intangible assets under development**

The Company capitalizes intangible asset under development in accordance with the accounting policy. Initial capitalization of costs is based on management's judgement that technological and economic feasibility is confirmed. This is done when a product development project has reached a defined milestone according to an established project management model. In determining the amounts to be capitalized, management makes assumptions regarding the expected future cash generation, discount rates to be applied and the expected tenure of benefits.

Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, considering contractually defined terms of payment.

Goods and Service Tax ("GST") is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity/service rendered by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The Company derives its revenues primarily from software services & projects as well as other allied services.

Revenues from software services & projects comprise income from time-and-material and fixed price contracts. Revenue from time and material contracts is recognized when the services are rendered in accordance with the terms of contracts with clients.

Revenue from fixed price contracts is recognized using the percentage-of-completion method, calculated as the proportion of the cost of effort incurred up to the reporting date to estimated cost of total effort.

Revenue from sale of services is shown as net of applicable discounts and pricing incentives to customer.

Revenue is recognised only when evidence of an arrangement is obtained and the other criteria to support revenue recognition are met, including the price is fixed or determinable, services have been rendered, the cost incurred and cost to complete the transaction can be measured reliably and

collectability of the resulting receivables is probable.

Provisions for estimated losses on incomplete contracts are recorded in the year in which such losses become probable based on the current contract estimates.

Unbilled revenue represents revenues in excess of amounts billed to clients as at the balance sheet date. Unearned revenue represent billings in excess of revenues recognized.

Advances received for services are reported as liabilities until all conditions for revenue recognition are met.

Interest income is recognized as it accrues in the statement of profit and loss using effective interest rate method.

Dividend income is recognized when the right to receive the dividend is established.

Property, Plant and Equipment and Intangible assets

Property, plant and equipment are stated at the cost of acquisition or construction less accumulated depreciation and write down for, impairment if any. Direct costs are capitalised until the assets are ready to be put to use. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

All other repair and maintenance costs are recognised in the statement of profit or loss as incurred. Property, plant and equipment purchased in foreign currency are recorded at cost, based on the exchange rate on the date of purchase.

The Company identifies and determines cost of each component/ part of Property, plant and equipment separately, if the component/ part has a cost which is significant to the total cost of the Property, plant and equipment and has useful life that is materially different from that of the remaining asset.

Intangible assets purchased or acquired in business combination, are measured at cost or fair value as of the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any. The amortization period and the amortization method are reviewed at least at each financial year end. Internally developed intangible assets are stated at cost that can be measured reliably during the development phase and capitalised when it is probable that future economic benefits that are attributable to the assets will flow to the Company.

Gains or losses arising from de-recognition of Property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of Property, plant and equipment and are recognized in the statement of profit and loss when the Property, plant and equipment is derecognized.

Cost of assets not ready for use at the balance sheet date are disclosed under capital work-in-progress.

Capital Work In Progress Rs. 4.30 Crore

The company has taken over the assets and liabilities of Vanavil Technology Private limited by

amalgamation and the scheme of amalgamation was approved by the High court order dated 21st day of September, 2001. The Capital work in progress of the Portal assessed at Rs. 4.40 crore. Certain WIP of small projects from Vanavil was taken over to the tune of Rs.0.13 crore and relevant expenditure from the date of amalgamation to till date were added to this social net working platform. The company has incurred 2.48 crores towards Capital Work in progress of this portal. Once the portal is completed in all aspects, it will be capitalized in the books of accounts of the company.

During the FY 2021-22, an amount of Rs. 2,71,55,306/-, being part of Capital Work-in-Progress, was transferred to one of the Unsecured Loan Creditors. A note in this connection was mentioned to this effect in FY 2021-22. The Capital Work-in-Progress as on 31-03-2024 was Rs. 4,30,62,958/-.

Depreciation And Amortization

Depreciation on Property, plant and equipment is calculated on a straight-line basis using the rates arrived at, based on the useful lives estimated by the management. Intangible assets are amortised on a straight- line basis over the estimated useful economic life.

The useful lives estimated by the management are given below:

(In years) Asset	Useful life as per Companies Act, 2013	Useful life estimated by the Management
Computer equipment	3	7-10
Furniture and fixtures	10	10-12
Lease hold improvements	Not Applicable	10 or remaining primary lease term whichever is less
Office equipment	5	7-10
Plant and equipment	15	7-10
Server and networks	6	6
Purchased / Internally developed software for self-consumption	As per Ind AS 38	3 to 7
	As per Ind AS 38	3 to 7
Internally developed software for sale		
	8	7-10
Vehicles		

Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Leases, where the Lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Operating lease payments are recognised in the

statement of profit and loss on a straight line basis over the lease term, unless the lease agreement explicitly states that increase is because of inflation.

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets acquired are capitalised at the fair value of the leased asset or the present value of the minimum lease payments at the inception of the lease, whichever is lower.

For arrangements entered into prior to 1 April 2015, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Borrowing Costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Impairment:

a) Financial Assets (Other Than At Fair Value)

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 ('Financial Instruments') requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The Company provides for impairment upon the occurrence of the triggering event. As per the policy, The Company provides for impairment of trade receivables (other than intercompany receivables) outstanding more than 180 days from the date they are due for payment.

b) Non-Financial Assets

Tangible And Intangible Assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

Retirement and Other Employee Benefits

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

The cost of Short-term compensated absences is provided for based on estimates. Long term compensated absence costs are provided for based on actuarial valuation using the project unit credit method. The Company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

Contributions payable to recognized provident funds, which are defined contribution schemes, are charged to the statement of profit and loss.

Share Based Payments

The Company measures compensation cost relating to share-based payments using the fair valuation method in accordance with Ind AS 102 Share-Based Payment. Compensation expense is amortized over the vesting period of the option on a straight line basis. The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model (Black-Scholesmodel).

That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

Foreign Currencies

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the balance sheet date.

Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are included in the statement of profit and loss.

The Company's financial statements are presented in INR. The Company determines the functional currency as INR on the basis of primary economic environment in which the entity operates.

Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or

liability during the year. Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current Income Tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

Deferred Income Tax

Deferred income tax is recognised using the balance sheet approach. Deferred tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income taxes are not provided on the undistributed earnings of branches where it is expected that the earnings of the branch will not be distributed in the foreseeable future.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Effective Apr 2018, the Company has adopted Ind-AS. Due to the various constraints the Management could not determine the Differed tax effects at the end of previous reporting period. However, during the current reporting period the Company has evaluated the effect of deferred taxes and made necessary adjustments to the statement of Profit & Loss and to the Balance Sheet. Refer Note No 6.2 of the Financial statements.

Deferred tax assets include Minimum Alternative Tax ('MAT') paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

Provisions And Contingent Liabilities

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements.

Earnings Per Share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been arrived at, assuming that the proceeds receivable were based on shares having been issued at the average market value of the outstanding shares. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase

loss per share, are included.

Inventories

Inventory comprises of traded goods and is measured at lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make the sale.

Cash Dividend To Equity Holders Of The Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

Government Grants

The Company recognizes government grants only when there is reasonable assurance that the conditions attached to them shall be complied with, and the grants will be received. Government grants related to assets are treated as deferred income and are recognized in net profit in the statement of profit and loss on a systematic and rational basis over the useful life of the asset. Government grants related to revenue are recognized on a systematic basis in net profit in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate.

Current Vs Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle.
- It is held primarily for purpose of trading.
- It is expected to be realised within twelve months after the reporting period.
- Cash and cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current. A liability is treated as current when:

- It is expected to settle in the normal operating cycle.

- It is due to be settled within twelve months after the reporting date.
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current.

Advance tax paid is classified as non-current assets.
